The Duke of Havana Dec 11 2021 In 1998, a mysterious right-handed pitcher emerged from the ashes of the Cold War and helped lead the New York Yankees to a World Championship. His origins and even his age were uncertain. His name was Orlando El Duque Hernandez. He was a fallen hero of Fidel Castro's socialist revolution. The chronicle of El Duque's triumph is at once a window into the slow death of Cuban socialism and one of the most remarkable sports stories of all time. Once hailed as a paragon of Castro's revolution, the finest pitcher in modern Cuban history was banned from baseball for life for allegedly plotting to defect. Instead of accepting his punishment, he fearlessly fought back, defying the Communist party authorities, vowing to pitch again, and ultimately fleeing his country in the bowels of a thirty-foot fishing boat. Here, for the first time and in astonishing detail, the secrets behind El Duque's persecution and escape are revealed. Moving from the crumbling streets of post Cold War Havana to the polarized world of exile

Miami, from the deadly Florida Straits to the hallowed grounds of Yankee Stadium, it is a story of cloak-and-dagger adventure, audacious secret plots, the pull of big money, and the historic collision of ideologies. Present throughout are the larger-than-life characters who converged at this bizarre intersection of baseball and politics: El Duque himself, Fidel Castro, the Miami sports agent Joe Cubas, the late John Cardinal O'Connor along with scouts, smugglers, and the Cuban ballplayers who gave up their lives as tools of socialism to test the free market and chase their major-league dreams. Reported in the United States and Cuba by two award-winning journalists who became part of the story they were covering, *The Duke of Havana* is a riveting saga of sports, politics, liberation, and greed.

Successful Market Segmentation Feb 25 2023 India is a diverse country with consumers who are demanding and aspirational. The business environment is complex and intensely competitive. Being a successful manager today requires deep market knowledge and a sound grasp of concepts and techniques with which to develop and execute successful strategies. This book is designed to equip readers with updated knowledge and advanced tools and techniques to create effective strategies to win customers. The concepts are explained lucidly and illustrated with several live case studies and teaches a step-by-step method of the process of developing market

segments and executing effective strategies.

Amassing Power Oct 21 2022 At the turn of the century American industrialist J.B. Duke set his sights on one of North America's greatest and most spectacular rivers - the Saguenay. In *Amassing Power* David Massell chronicles thirty years of international intrigue as Duke manoeuvred to gain access to, develop, and sell the tremendous hydro-electric potential of a remote river in Quebec. The damming of the Saguenay brought industrialisation on a grand scale to rural Quebec in the form of newsprint and aluminum manufacture. Tapping into rich and diverse sources in Canada, the United States, and Europe, Massell provides an interdisciplinary, cross-border study of American capital and Canadian resources. He shows us how ever-larger amounts of capital yielded increasingly massive and sophisticated applications of hydroelectric technology. Grand industrial plans, in turn, encroached upon provincial water rights and farmers' lands, which drew the attention of the state. He examines the

protracted power struggle between public and private interests - between American capitalists and the nascent bureaucracy of the province of Quebec - and describes the origins and evolution of the events that led to state control over hydraulic resources in the province. In doing so he provides vivid portraits of Duke and of Quebec politicians of the period and gives a dramatic account of the protracted battle of wits between Duke's chief engineer, William States Lee, and Quebec's chief of Hydraulic Service, Arthur Amos. *Amassing Power* speaks to the integration of North American economies, vividly illustrating the process by which American capital drew Canada's resource-rich North into the economic orbit of the United States.

The Duke's Ballad Apr 15 2022 The Duke's Ballad is the tale of Aisling, a young witch from a family gifted with a magical power that she must protect from her brother, Kirion, who wields magic unlike the rest of the family's. He gains power only by a terrible means: by killing others who wield magic. Years ago, Aisling fled her native Kars when Kirion, working for the Duke of Kars, tried to kill her. Since Aisling's departure, Kirion has tightened his insidious hold on Duke Shastro. The malevolent sorcerer's dark influence works through Shastro to cast a deadly pall over all of Kars. A fatal chain of events is triggered when Kirion pitches the people of Kars into a war with a neighboring clan. Aisling recruits her younger brother Keelan and returns in disguise, determined to undermine Kirion's power and unseat his evil pawn from the throne. Accompanied also by a catlike telepathic beast, Aisling

becomes part of Shastro's court. But even as she begins to learn the ways of court power, a brutally cold winter besieges the land, testing the endurance of the people of Kars, who have little cheer in that darkest season. As Kars and its people contend with Kirion's depredations, the warring clan's raids, and the devastating winter, Aisling and Keelan must somehow, through guile, persistence and ingenuity, find a way to avoid the attention of their dangerous older brother, and save the people from his murderous sorcery. Only if they can survive Kirion's terrible power can they deliver the dukedom into the peace and prosperity it once knew.

Closet Devotions Jun 05 2021 Religion and sex, body and soul, sacred and profane: In *Closet Devotions*, Richard Rambuss traces the relays between these cultural formations by examining the issue of "sacred eroticism," the literary or artistic expression of devotional feelings in erotic terms that has repeatedly occurred over the centuries. Rather than dismissing such expression as mere convention, Rambuss takes it seriously as a form of erotic discourse, one that gives voice to desires that, outside the sphere of sacred rapture, would otherwise be deemed taboo. Through startling rereadings of works ranging from the devotional verse of the metaphysical poets (Donne, Herbert, Crashaw, and Traherne) to

photographer Andres Serrano's controversial "Piss Christ," from Renaissance religious iconography to contemporary gay porn, Rambuss uncovers the highly charged erotic imagery that suffuses religious devotional art and literature. And he explores one of Christian culture's most guarded (and literal) closets--the prayer closet itself, a privileged space where the vectors of same-sex desire can travel privately between the worshiper and his or her God. Elegantly written and theoretically astute, *Closet Devotions* illuminates the ways in which sacred Christian devotion is homoeroticized, a phenomenon that until now has gone unexplored in current scholarship on religion, the body, and its passions. This book will attract readers across a wide array of disciplines, including gay and lesbian studies, literary theory and criticism, Renaissance studies, and religion.

The American Dance Festival Jan 12 2022 The American Dance Festival has been a magnet drawing together diverse artists, styles, theories, and dance training methods; from this creative mix the ADF has emerged as the sponsor of performances by some of the greatest choreographers and dance companies of our time. Jack Anderson traces the development of ADF from its beginnings in New England to its seasons at Duke University. He displays the ADF for the multidimensional

creature it is—a center for performances, a school for the best young dancers in the country, and a provider of community and professional services.
