“Masterful. The Anthropocene Reviewed is a beautiful, timely book about the human condition—and a timeless reminder to pay attention to your attention.”

—Adam Grant, #1 bestselling author of *Think Again* and host of the podcast *Re:Thinking Instant* #1 bestseller! A deeply moving collection of personal essays from John Green, the author of *The Fault in Our Stars* and *Turtles All the Way Down*. “Gloriously personal and life-affirming. The perfect book for right now.” —People “Essential to the human conversation.” —Library Journal, starred review

*The Anthropocene* is the current geologic age, in which humans have profoundly reshaped the planet and its biodiversity. In this remarkable symphony of essays, bestselling author John Green reviews different facets of the human-centered planet on a five-star scale—from the QWERTY keyboard and sunsets to Canada geese and Penguins of Madagascar. Funny, complex, and rich with detail, the reviews chart the contradictions of contemporary humanity. John Green’s gift for storytelling shines throughout this masterful collection. *The Anthropocene Reviewed* is an open-hearted exploration of the paths we forge and an unironic celebration of falling in love with the world. For any literature project, trust Novels for Students for all of your research needs. The Most Trusted Study Guide to Understanding The Problem of Pain! Why must humanity suffer? Why doesn't God alleviate our pain, even some? In his book The Problem of Pain, C.S. Lewis's philosophical approach to why we experience pain can be confusing at times. The Problem of Pain Study Guide breaks down each chapter into easy-to-understand questions and commentary to help you find meaning and hope amid the pain. The Problem of Pain Study Guide expands upon Lewis' elegant and thoughtful work where he seeks to understand how a loving, good, and powerful God can possibly coexist with the pain and suffering that is so pervasive in the world and in our lives. As Christ-followers we might expect the world to be just, fair, and less painful, but it is not. This is the problem of pain. In addition to Scripture references, discussion questions, and related commentary, The Problem of Pain Study Guide also provides easy-to-read chapter summaries highlighting overarching themes, definitions, and references. To help with those more difficult discussion questions, a complete Answer Guide and Scripture Reference Guide is available for free online.

This complete Bible study experience is perfect for book clubs, church groups, and independent study. The Problem of Pain Study Guide includes: - Eleven sessions of study with multi-week options included - Comprehensive Bible study workbook with studies for each week - Complete chapter summaries to go deeper - Bible study questions that are ideal for group discussion - Answer Guide for all questions and Scripture - Reference Guide available for free online - Perfect for book clubs, small groups, or individual Bible study - Available in print or e-book formats

The problem of pain is inescapable and its effects profound. The Problem of Pain Study Guide combines the wisdom of C.S. Lewis with the authority of Scripture to help you battle the issues and difficulties that lie ahead. The Perfect Follow-up to The Screwtape Letters! Only the imaginative mind of C.S. Lewis could create as short story about a demon offering the after-dinner speech at the graduation ceremony at the Tempters' Training College for young demons. Nearly two decades after the release of The Screwtape Letters and to the delight of his fans, Lewis wrote a sequel that he never intended to create. In fact, he never imagined the original book would become a classic and that his readers would continue to enjoy it so many years later. Now almost 50 years later after the sequel's release, Screwtape Proposes a Toast Study Guide digs deep into Lewis' almost prophetic declaration of how the underworld seeks to corrupt education, democracy, social politics, and

directly shift a cultural worldview. For those who have completed The Screwtape Letters Study Guide or The Screwtape Letters Study Guide for Teens, this study is the perfect follow up, but it can be done independent of the others. This flexible study can be used in one long setting or divided up over several sessions.

Screwtape Proposes a Toast Study Guide includes:

- Comprehensive Bible study workbook with flexible study sessions
- Complete character sketches and summaries to go deeper
- Bible study questions that are ideal for group discussion
- Answer Guide for all questions and Scripture Reference Guide available for free online
- Perfect for book clubs, small groups, or individual Bible study
- Available in print or e-book formats

Screwtape has a compelling yet subtle strategy for continuing to attack God's people.

Understand those strategies and learn to fight back with the Screwtape Proposes a Toast Study Guide.

Insightfully sweet, with a gentle humor and poignancy, here is Oliver Jeffers' user's guide to life on Earth. He created it specially for his son, yet with a universality that embraces all children and their parents. Be it a complex view of our planet's terrain (bumpy, sharp, wet), a deep look at our place in space (it's big), or a guide to all of humanity (don't be fooled, we are all people), Oliver's signature wit and humor combine

with a value system of kindness and tolerance to create a must-have book for parents. Praise for Here We Are: -"A sweet and tender distillation of what every Earthling needs to know and might well spend a lifetime striving to achieve. A must-purchase for new parent shelves"--School Library Journal -"From the skies to the animal kingdom to the people of the world and lots of other beautifully rendered examples of life on Earth, Here We Are carries a simple message: Be kind." --NPR -"[An] enchanting gem of a children's book"--NBC's Today Show -"A must-have book for parents."--Gambit -"A celebration of people all shapes and sizes, and of the beauty and mystery of our Earth."--Booklist -"...a beautifully illustrated guide to living on Earth and being a good person."--Brightly -"[Here We Are] is a tour through the land, the sea, the sky, our bodies; dioramas of our wild diversity....[Jeffers] is the master of capturing the joy in our differences."--New York Times Book Review

Help Teens Study and Share The Great Divorce! The Great Divorce by C.S. Lewis has been a favorite of teenagers for over 70 years, but for many it has been a little difficult to grasp. The Great Divorce Study Guide for Teens makes it easy and relatable for teenagers to not only read the book but to also study and share this iconic classic with their friends. Imagine being a damned soul on a bus ride from Hell to visit the outskirts of Heaven. Then, once you arrive you are offered a second chance to enter the bliss of Heaven forever. Why would anyone not accept this once in a

lifetime, or after life-time-offer? This is just the scenario found in C.S. Lewis' allegorical tale, *The Great Divorce*. Using Scripture references, discussion questions, and relatable stories, *The Great Divorce Study Guide for Teens* gives teens a better understanding of the key concepts of the book, the supporting Bible passages, and the relevance to a Christian teen's worldview today. Detailed character sketches and an easy-to-read book summary provide deep insights into each character and letter of the book. To help with those more difficult discussion questions, a complete Answer Guide and Scripture Reference Guide is available for free online. This complete Bible study experience is perfect for youth groups, homeschool groups, and independent Bible study. *The Great Divorce Study Guide for Teens* includes:

- Daily Bible studies that takes no more than 20 minutes
- Easy-to-read workbook with questions relatable to teenagers
- Complete character sketches and summaries for a better understanding
- Answer Guide to all questions and Scripture Reference Guide available for free online
- Perfect for all teenagers

Available in print or e-book formats *The Great Divorce Study Guide for Teens* combined with Lewis' fictional story about Heaven and Hell just might give your teens a different perspective on the afterlife. The image of the Earth on the front cover was acquired from the GOES-8 Imager by the Laboratory for Atmosphere at NASA'S Goddard Space Flight Center, Greenbelt, MD. It was taken on September 2, 1994,

using two channels for the Imager to produce a "natural color" effect. The photos shown here on the back cover illustrate the four spheres of the Earth system - the atmosphere, biosphere, hydrosphere, geosphere - together with changes being produced by human activities. It uses an earth systems approach to discuss the planet as a whole, plate tectonics, rocks and rock formation, surface processes, oceans/atmospheres, and resources. While on a walking tour through England, Dr. Elwin Ransom becomes an unwilling guest at the home of Dr.

Weston, a physicist. Weston and his colleague Dr. Devine kidnap Ransom and take him to the planet Malacandra. Ransom believes that he is meant to be handed over to the inhabitants of Malacandra as a human sacrifice. On Malacandra, Weston and Devine try to present Ransom to the beings that come to meet them, but Ransom panics and escapes when the men are attacked by a large sea creature. Alone on an alien world, Ransom discovers that he has no survival skills that apply to his surroundings. Barely able to tell the difference between animals and plants or plants and rocks, he is unsure what to trust as safe - even his sanity begins to dissolve. Driven by curiosity, he establishes contact with what appears to be a friendly seal-like animal. The creature gives him food and drink and takes him to its village. Ransom settles into a peaceful life with these beings, the hrossa, and slowly finds his ideas about life, religion, and humanity stretched to new horizons. But before long, Ransom is summoned before the ruler of Malacandra. Fearfully and humbly, Ransom travels to meet the mysterious ruler of this strange world. Once again, Ransom finds his assumptions about life and the workings of the universe shattered. Out of the Silent Planet is the first of three books by C.S. Lewis about Dr. Ransom.

Ransom's adventures are continued in *Perelandra* and *That Hideous Strength*. Interactive CD-rom. Rev. and expanded ed. of: *How to build a habitable planet* / Wallace S. Broecker. 1985. Unlock your full potential with this revision guide which focuses on the key
