Entrepreneurship, Innovation and Inequality Sep 21 2022 This book hopes to stimulate discussion about how entrepreneurship and innovation contribute to growing inequalities in territories. This will help bridge the gap between research and practice on the role of territory dynamics and regional development. The book begins by examining the growing inequality in regions, which has resulted in lagging economic development. The need to shift current economic policy towards spatial inequality through harnessing the innovative capabilities of regions is examined. The book puts forth a case for reversing the inequality that is evident in lagging regions as a way to reinvigorate territories. The book should appeal to researchers, policy makers, business leaders and the general public interested in territorial dynamics and development.

Entrepreneurship in High Technology Apr 04 2021

Handbook of Research On Entrepreneurship Feb 26 2023

This indispensable Handbook offers a fresh look at entrepreneurship research, addressing what we already know, and what we still need to know, in the field. Over the course of 17 chapters, a collaboration of 24 highly-regarded researchers, expe

Losing My Virginity Sep 09 2021 A revised and updated edition of the bestseller from Virgin founder Richard Branson. Already a great read---fascinatingly mixing autobiography and business how-to---the book is now right up to the moment, with the latest bold moves from this irrepressible, charismatic entrepreneur and his rule-breaking, hugely successful company.

How You Can Become a Millionaire Oct 10 2021 Panos offers a guide for becoming a millionaire and states that in order to be successful in business, one must understand the advantage of

having God's help. Includes Scripture references.

Corporate Entrepreneurship and Venturing Aug 20 2022

Corporate Entrepreneurship and Venturing is positioned at the crossroads of the strategy and entrepreneurship fields. The common theme is how and why corporate entrepreneurship and corporate venturing can contribute to innovation and strategic renewal in large established companies, in particular it explores ways to balance exploitation and exploration in established companies. The issue is how the locus of entrepreneurship affects the way corporate entrepreneurship addresses the exploitation/exploration challenge. In some chapters corporate entrepreneurship is dispersed across the organization and they examine the key elements of an entrepreneurial culture and the organizational conditions that are favorable to entrepreneurial initiatives. The other chapters contribute to the discussion on the potential role of corporate venturing which is separated from the main parts of the organization. They examine the advantages and disadvantages of corporate venture capital programs as particular forms of focused corporate entrepreneurship.

Entrepreneurship in the Catholic Tradition Mar 23 2020

Entrepreneurship in the Catholic Tradition is a theological and historical exploration of the treatment of entrepreneurship, business, and commerce in the teaching of the Roman Catholic Church. Moving from Scriptural exegesis to modern papal social encyclicals, Anthony G. Percy shows how Catholic teaching had developed profound insights into the ultimate meaning of entrepreneurship and commerce and invested it with theological, philosophical, and economic meaning that surpasses many conventional religious and secular interpretations.

Entrepreneurship is illustrated as being as much a potential contributor to all-round integral human flourishing as it is to economic growth and development. In this sense,

Entrepreneurship in the Catholic Tradition challenges the stereotype of the Catholic Church having a negative view of economic liberty and the institutions that enhance its productivity. Instead we discover a tradition in which first millennium theologians, medieval scholastics, and modern Catholic thinkers have thought seriously and at length about the character of free enterprise and its moral and commercial significance.

A Good Dose of Pleasure Apr 28 2023 One sexy Morgan man may have finally met his match in a talented and beautiful young widow. But will their ambitions come between them? When artist Anise Cartier leaves Nebraska for L.A., she's finally ready to put the past and its losses behind her. And she soon finds a welcoming committee in the form of one very handsome doctor, Gregory Morgan. Their attraction is instant. So is their animosity. Gregory is in a fierce competition for a multimillion-dollar medical research grant. The grant will make a new research center possible. . .once the beloved artist community where Anise plans to set up shop is demolished. Soon, it's a battle between art and science--one that neither Anise nor Gregory intend to lose. Can their red hot love survive this heated war of wills?

The Art of Money Getting Jul 07 2021 In this highly readable book you will find laid out a set of tips to follow in order to have success and wealth. Barnum's suggestions are honest and timeless. They apply today as easily as they did in the 19th Century and *The Art of Money Getting* is the book to read for all who want money in an enduring and fulfilling way. This book offers an opportunity to get to know an insightful, successful man and acquire his invaluable advice of how to be successful and rich. "To all men and women, therefore, do I conscientiously say, make money honestly, and not otherwise,

for Shakespeare has truly said, 'He that wants money, means, and content, is without three good friends.

The Spirit of Entrepreneurship Dec 12 2021 In this book, Sharda S. Nandram and Karel J. Samsom, entrepreneurial researchers at Nyenrode Business University, explore entrepreneurship through the lens of human behaviour. The study presents personal stories of 60 entrepreneurs and entrepreneurial executives, from CEOs to creative leaders in the public sector. The book shows how mutually beneficial results can occur when the pursuit of profit is balanced with the interdependent needs of individuals, the community and the planet.

What If? and Why Not? Apr 23 2020 Starting your own business is hard. But the biggest obstacles often have less to do with time and money, and more to do with fear and doubt. In *What If? and Why Not?* serial entrepreneur and small business advocate Jen Groover—creator of the Butler Bag and creator and host of Launcher's Café, an online community for entrepreneurs—shows you how to transform your fears into action by rethinking the negative questions that can lead to failure before you even get started. Being an entrepreneur, Groover says, isn't just about selling a product. It's about personal growth—about taking your vision and bringing it to fruition, and about always pushing yourself to take that vision further. What gets in your way isn't the money you don't have, or what you don't know about the industry you want to get into—it's believing you can't do it, that you don't have the power or the resources you need to make your dream into a reality. Groover walks you step by step through ten negative “What If?” questions—What if I don't know what I'm doing? What if I don't have the money? What if I fail?—and how to turn them around

by asking yourself: What if I can learn? What if I don't need much money? What if I succeed? She also asks "What Not?": Why not find a mentor or take a class? Why not ask for investors? Why not try? With dozens of personal stories from successful entrepreneurs in areas as diverse as dog walking and handbag-invention, plus practical advice for every step of your journey, What If? and Why Not? is the most complete guide available to help you start the business of your dreams.

The Barking Dog Oct 30 2020

Think and Grow Rich Nov 30 2020

Publicize your business Dec 24 2022 Are you sure that there are customers out there who should be doing business with you? And are you at a loss as to how to attract their attention? Are you frustrated when you see your rivals singing their own praises in the media? If you agree that publicity plays an essential role in business success but feel you would need an expensive PR specialist to raise your profile effectively, think again. In *Publicize your business* Mike Park reveals the tricks of the trade and explains how anybody can successfully publicize their own products and services to reach a host of potential new customers. This book will teach you: How promoting your uniqueness will make you a winner; how to identify your customers and communicate with them; how to improve your promotional punch; how to make yourself attractive to the media; how to get your message across cost effectively.

Causes of Wealth of People Nov 23 2022 Based on ten years of study, ten years of entrepreneurial experience and a further ten years of research, Zhao Yanchen's "Causes of Wealth of People" lays out a comprehensive theory of entrepreneurship while at the same time serves as a practical guide for the entrepreneur. First published in China in 2004, this new English edition is the first translation of the book to ever be published. Analyzing all

phases of business from project selection through operation and sales, and equally at home discussing the benefits and necessity of the free market and the "Tao" of an enterprise, the book provides novel and valuable insights on entrepreneurship from an Eastern philosophical perspective.

Handbook of Entrepreneurship Research Jun 18 2022

Interest in and attention to entrepreneurship has exploded in recent years. Nevertheless, much of the research and scholarship in entrepreneurship has remained elusive to academics, policymakers and other researchers, in large part because the field is informed by a broad spectrum of disciplines, including management, finance, economics, policy, sociology, and psychology, often pursued in isolation from each other. Since its original publication in 2003, the Handbook of Entrepreneurship Research has served as the definitive resource in the field, bringing together contributions from leading scholars in these disciplines to present a holistic, multi-dimensional approach. This new edition, fully revised and updated, and including several new chapters, covers all of the primary topics in entrepreneurship, including entrepreneurial behavior, risk and opportunity recognition, equity financing, business culture and strategy, innovation, and the impact of entrepreneurship on economic growth and development. Featuring an integrative introduction, extensive literature reviews and reference lists, the Handbook will continue to serve as a roadmap to the rapidly evolving and dynamic field of entrepreneurship.

Entrepreneurship and Culture Mar 27 2023 The book is an innovative compilation of papers that explore the relationship between cultural features and entrepreneurship. The relative stability of differences in entrepreneurial activity across countries suggests that other than economic factors are at play. The contributions to this edited volume deal with the

foundations of entrepreneurship and with the effects of different cultural settings on the incidence and success of entrepreneurs. Topics are individual decision making in a cultural context, regional aspects of entrepreneurship, cross-country differences, and the influence of culture on entrepreneurial activity.

Entrepreneurship and Context Oct 22 2022 This book identifies Friederike Welter's key contribution to entrepreneurship research over recent decades, and shows how her work is contextualised in time and place. The book gives a differentiated understanding of entrepreneurship and contexts, celebrating diversity as well as complexity.

Sustainable Entrepreneurship Jun 25 2020 The cases contribute to the understanding of a systemic change from a linear economy to a circular economy and how businesses and organisations can transform their businesses and practices towards a sustainable future through innovations and creating sustainable business opportunities. Sustainable and social aspects of the cases within the organisation and with the stakeholders draw a clear picture of staying competitive, profitable and show the ability to create sustainable value. The cases provide insight into different cultural and societal aspects in the ever-changing business environment by creating an understanding of the circular economy, social entrepreneurship, and competitive leadership, and effective performance.

KEPEMIMPINAN WIRAUSAHA KRISTEN Jan 21 2020 Segala Puji Syukur kepada Allah Yang Maha Kuasa atas terbitnya buku yang berjudul Kepemimpinan Wirausaha Kristen. Buku ini membahas tentang Kepemimpinan Wirausaha; Pandangan Alkitab; Jenis Wirausaha; Usaha Kecil Menengah; Manfaat Wirausaha; Paradigma Wirausaha; Kerjasama dan Prestasi; Manajemen Keuangan; Strategi Pemasaran; Wirausaha Kristen; Wirausaha Gereja; dan Rencana Wirausaha. Semoga

Buku Kepemimpinan Wirausaha Kristen ini dapat bermanfaat untuk menambah ilmu pengetahuan bagi para pembaca. Kiranya kasih Allah Yang Maha Kuasa selalu menyertai kita semuanya.

Tips memulai dan Mengembangkan Wirausaha IT Dec 20 2019 Berwirausaha bisa dianalogikan dengan berenang atau menyetir mobil. Tidak akan bisa dijalankan sekedar dengan teori. Teori memang penting sebagai sumber pengetahuan awal, agar kita tahu tata cara yang benar dan terhindar dari kemungkinan kesulitan yang tidak diinginkan, namun harus dilanjutkan dan diimbangi dengan praktek, agar bisa merasakan bentuk riil dari kegiatan yang kita lakukan. Kita mungkin kerap mendengar mengenai kegagalan wirausaha yang merusak kedamaian hidup, mengancam keuangan keluarga, menimbulkan hutang dimana-mana hingga terpaksa hidup dibawah standard. Sama seperti saat hendak berenang, ada rasa takut tenggelam karena air yang cukup dalam. Sama dengan belajar menyetir, ada rasa takut jika mengalami hal yang tidak diinginkan dijalan, misalnya menyerempet orang atau takut merasa panik saat lalu lintas padat. Hal yang wajar sebenarnya, karena tanpa melakukan apapun juga tetap ada ancaman terhadap kita. Tanpa berwirausaha, mungkin kita bisa terhindar dari kemungkinan kegagalan usaha, namun kita tetap terancam pada peningkatan kebutuhan hidup yang semakin lama semakin meningkat sementara peningkatan pendapatan tidak mampu mengantisipasi peningkatan kebutuhan. Buku ini saya tulis sebagai jurnal perjalanan usaha. Mulai dari saat-saat awal membangun usaha hingga beberapa tahun menjalaninya. Memang tidak semua berupa pengalaman yang menyenangkan namun selalu ada manfaat yang bisa dipetik. Saat menjalaninya, saya tidak merasakan rasa khawatir seperti apa yang terbayangkan saat belum menjalaninya. Karena pada dasarnya semua berjalan secara alamiah, kita melakukan apa yang kita lakukan

sebagaimana mestinya dan berusaha menyasati hambatan yang terjadi sesuai dengan akal dan pengetahuan yang kita miliki.

JEFFREY S. DAVIS AND MARK COHEN ON THE 24-HOUR TURNAROUND May 05 2021

Creative Cross-Disciplinary Entrepreneurship Jul 19 2022

sukses wirausaha jajan favorit Aug 28 2020

Economics, Entrepreneurship and Utopia Nov 11 2021 Owen and Bentham were forerunners of highly relevant current theories of economics - marginalism, entrepreneurship, personnel management, and constructivism. They were acquainted with such important authors as James Mill, Malthus, Ricardo and John Stuart Mill. However, their economic theories were ruled out by classical economists, who actively tried to silence perspectives different from the orthodoxy. This book presents an innovative study of these two social thinkers and reformers, who have rarely, if ever, been studied together. This comparative study provides new context both on the social debate taking place during the Industrial Revolution, and on the development of modern social thought, particularly the relationship between socialism and utilitarianism.

The Nice Entrepreneur Feb 14 2022 Success doesn't happen by accident. It takes vision, perseverance, and a willingness to adapt to the changes that life inevitably brings. Brian Montgomery began his entrepreneurial career at the age of 10 with the single goal of wearing a tie to work. Using the values instilled in him by his parents, he created four core principles

that he followed throughout his personal and professional life. Well on his way to building a multi-million dollar company, Brian's road to success took an unexpected turn when he was diagnosed with stage four cancer when he was thirty-eight years old. *The Nice Entrepreneur: How Leading from the Heart Can Make All the Difference* is Brian's inspirational account of the right way to achieve success in business and in life. Whether you are just starting out in your career, at a crossroads professionally or personally, or trying to reignite your passion *Nice Entrepreneur* is a story of hope that will guide you on your journey to success. Book jacket.

Public Policy in an Entrepreneurial Economy Jan 13 2022

This unique volume presents policy recommendations designed to promote entrepreneurship. It considers timely issues like impact of securities regulation, educational policy and intellectual property protection on entrepreneurship. In the process, the book addresses policies operating at the individual, national, regional, and international levels, and offers a unique perspective on several institutional structures that enhance entrepreneurship and economic growth.

Systemic Entrepreneurship Jan 25 2023 *Systemic*

Entrepreneurship focuses on creating an awareness of systemic entrepreneurship and illustrates the fact that one needs to approach entrepreneurial support activities from many different angles.

International Entrepreneurship Jul 27 2020 *Combining*

comprehensive coverage with a wide variety of real-life cases, *International Entrepreneurship: Starting, Developing, and Managing a Global Venture* gives entrepreneurs the tools they need to successfully launch international ventures in today's hypercompetitive world. Bestselling author Dr. Robert D. Hisrich helps students and entrepreneurs develop global business

plans, select international opportunities, and determine the best entry strategy. The text also covers practical considerations such as legal concerns, the global monetary systems, global marketing, and global human resource management for entrepreneurs. The Third Edition provides increased attention to culture and reflects recent changes in our increasingly globalized world. Readers will also be exposed to new cases featuring international activities of entrepreneurs and ventures throughout the world.

Princesses, Inc. May 17 2022 Twelve-year-old Hailey and her friends form a unique babysitter's club in order to raise money to see their favorite YouTube star at a local ComicCon in this hilarious M!X novel. Twelve-year-old Hailey and her BFFs are all big fans of Collin Prince, a YouTube star, and swoon-worthy crush. So when the opportunity to meet him at a local Comic-

Con comes up, the girls jump at the chance. The problem? The convention isn't cheap—and the girls don't have the money to go. But Hailey isn't ready to give up just yet. In addition to meeting Collin at the convention, there is a young writer's competition that she is determined to enter—and win. The girls dream up Princesses and Pirates, Inc., a babysitting service where the girls will dress up in costume to entertain their charges. Of course, they aren't as prepared as they thought they would be to deal with bratty kids, scheming older siblings (who are less than thrilled that their own babysitting jobs have dried up), and trying to balance their new "jobs" with school. And more responsibilities means less time for Hailey to work on her contest entry. Will their plan to make it to Comic-Con pay off...or could their business end up as shipwrecked as the pirates they portray?

Risk and Entrepreneurship in Libraries Mar 15 2022

Leapfrog Feb 20 2020 For women entrepreneurs (and anyone sick of the status quo), this smart, unapologetic collection delivers fifty proven hacks to leapfrog over obstacles and succeed in business. "A must-read for any woman who has a great idea and the nagging thought that doors are closed to her; Molina Niño helps to blow them open."--Publishers Weekly

Think the most critical factor for becoming a great entrepreneur is grit, risk-taking, or technical skills? Think again. Despite what every other business book might say, historical data show the real secret ingredients to getting ahead in business are being rich, white, and male. Until now. Leapfrog is the decades-overdue startup bible for the rest of us. It's filled with uncompromising guidance for winning at business, your way. Leapfrog is for entrepreneurs of all stripes who are fed up with

status quo advice--the kind that assumes you have rich friends and family and a public relations team. Refreshingly frank and witty, author Nathalie Molina Niño is a serial tech entrepreneur, the founder and CEO of BRAVA Investments, and a proud daughter of Latinx immigrants. While teaching budding entrepreneurs at Barnard College at Columbia University and searching the globe for investment-worthy startups, she has met or advised thousands of entrepreneurs who've gone from zero to scalable business. Here she shares their best secrets in the form of fifty "leapfrogs"--clever loopholes and shortcuts to outsmart, jump over, or straight up annihilate the seemingly intractable hurdles facing entrepreneurs who don't have family money, cultural capital, or connections.

The Entrepreneurial Process May 25 2020 This book provides an understanding of 'opportunity recognition' as a catalyst and crux of the entrepreneurial process. Grounded in research, it introduces the key concepts at the heart of entrepreneurship theory and practice and demonstrates how entrepreneurship differs from management in language, priorities and practice. The book's central framework is mapped around 'seeing and seizing opportunities', where the entrepreneur enters a situation, eventually sees an opportunity and takes it through a process of idea development into an actionable entrepreneurial initiative. This captures the book's four core elements: person(s), environment, opportunity and process. The Entrepreneurial Process is unique in its explanation of how key concepts are related and how they can be applied practically to business models, plans and action. Case studies from real-life organizations, reflective questions and short exercises throughout encourage student learning and enable true engagement with the subject matter, building students' entrepreneurial efficacy. A 'one-stop shop' of key theoretical

perspectives on entrepreneurship, opportunity recognition and business modelling, this textbook is essential for undergraduate and postgraduate students on introductory entrepreneurship and enterprise courses. Its practical and applied nature also makes it suitable for MBA and executive education. Online resources include chapter-by-chapter PowerPoint slides and a test bank of questions.

Do Tax Rates Encourage Entrepreneurial Activity? Apr 16 2022 When the top personal tax rates are above the corporate rate, high-income individuals have an incentive to reclassify their earnings as corporate rather than personal income for tax purposes. U.S. tax law at least imposes strict limits on the extent to which employees in publicly traded corporations can engage in such income shifting. However, entrepreneurs setting up new firms can easily reclassify their income for tax purposes. This tax incentive therefore favors entrepreneurial activity. The paper discusses how best to subsidize entrepreneurial activity while avoiding other economic distortions.
