Mary's Call to Prayer Jul 27 2020 Over multiple centuries, visionaries have reported seeing and speaking with the apparition of Mary, mother of Jesus. Nearly all of these apparition events include evidence of other miracles. Within the apparitions, Mary's primary message is intended for all Christians to hear: the time to pray more is now. In an insightful spiritual discussion enhanced by biblical references, John Smatlak relies on the voice of Mary to directly answer many of the common questions asked by Christians such as what is important to gain eternal life and what is not? What behaviors cause a person to go to hell? Can prayer prevent war? Do we keep our earthly bodies in the afterlife? Throughout the presentation, Mary communicates clear expectations for Christians while providing a better understanding of Jesus, herself, and other supernatural beings. In perfect alignment with the Bible and Jesus, Mary expresses her deep love for people, warns of dire future events on earth, and explains how to either mitigate or avoid these events with prayer. Mary, the mother of Jesus, is a valuable resource for Christians that provides twentieth century answers from heaven to many common questions while addressing the need for prayer.

Mary Martin, Broadway Legend Feb 20 2020 The first book-length biography of a theater icon South Pacific. The Sound of Music. Peter Pan. As the star of these classic Broadway musicals, Mary Martin captivated theater audiences with her impish persona and magnificent voice. Now Ronald L. Davis fills a major gap in theater history,

moving beyond Martin's own 1976 memoir to provide a complete picture of her life and career. Lively and engaging, Davis's biography is the first book-length portrait of the theater icon, spanning her lifetime to reveal facts about her childhood, marriages, and friendships—as well as artistic collaborations that included the likes of Rodgers and Hammerstein, Cole Porter, and Elia Kazan. Born in Weatherford, Texas, and mother to the future actor Larry Hagman, Martin went to California after the failure of her first marriage. There, she auditioned for every studio without success. “Audition Mary” finally had her big break when she won a talent contest, leading to her breakthrough 1938 performance in *Leave It to Me*—in which she wowed audiences singing “My Heart Belongs to Daddy.” Davis traces Martin's numerous appearances on Broadway, in touring productions, and on television, showing how—through hard work and persistent optimism—she built a career that lasted nearly fifty years and earned her the adoration and respect of fans and colleagues alike. Because Martin's life was entwined with many luminaries of the stage, this biography offers rich insights into theater history, including accounts of how various productions were developed. No other book tells her story in such detail—it is must reading for fans and an essential resource for theater aficionados everywhere.
