A Minister's Manual for Spiritual Warfare is written to assist pastors and other ministers help their parishioners find freedom from demonic oppression. It is based upon years of experience and research and was written in consultation with orthodox, highly credentialed theologians, biblical scholars, clinicians, and attorneys. It is written from an evangelical Anglican perspective, but it will also be useful for other traditions. The manual describes various kinds of demonic attacks and discusses the reasons to involve medical and mental health professionals. Providing practical guidance for the deliverance ministry, it includes diagnostic procedures, insight into the makeup and training of a ministry team, the appropriate use of liturgies, pastoral care for victims and deliverance ministers, and legal considerations. The book devotes special attention to

exorcisms, emphasizing the importance of a teamwork approach and the necessity of thorough preparedness, including an awareness of different strategies which demons may use to thwart exorcists. Rounding out the manual is a series of accessible, biblical, step-by-step instructions to assist ministers in helping others find freedom in Christ from demonic attacks. A Minister's Manual for Spiritual Warfare is a must-have for any Christian minister involved in deliverance ministry. Have you ever had that sinking feeling that you were missing out on something very valuable in your ministry but just couldn't put your finger on it? Well, these resources for adventures in service to God for the church are valuable assets to those seeking a dynamic experience in God's Kingdom work. To invest yourself in Larry Spencer's Ministry of Helps Manual and Workbook can enhance your ministry and greatly format your service with usable hands-on tools that complete your tool chest. Bring these practical things home and put them to work. Great results have already been seen from individuals who respect God's Word and value what it can bring to the Board room as well as to the church service. You will not be sorry you invested in this training for you and your ministry team. Rev. Lloyd Tremain, Paradise Community Church of the Nazarene A thorough, practical and much needed Biblically sound treatment. Wish it had been available 20 years ago when I could have used it to a great positive effect. Dan Wilderman, Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today. John Steffensen, Radio Host, Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry. I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore, or church maintenance, or the myriad other duties needed to keep a church going. The result was that the church stayed the same size. Some leave; others enter. But no growth was apparent despite the considerable preaching talents of the pastor. God is apparently making sure he has only the amount of people that he can handle. We learn that the ancient church had some of the same challenges we face today. Acts 6:14 says, Now in those days, when the number of the disciples was multiplying, there arose a complaint against the Hebrews by the Hellenists, because their widows were

neglected in the daily distribution. Then the twelve summoned the multitude of the disciples and said, It is not desirable that we should leave the word of God and serve tables. (Read this as doing manual labor.) Therefore, brethren, seek out from among you seven men of good reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business; (the manual labor) but we will give ourselves continually to prayer and to the ministry of the word. It was even bringing strife to the local body. What did they do? And what was the result? The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties (the manual labor). This freed up the apostles so they could minister the Word of God. Wow, Gods way is so simple, and our grandiose plans just waste time and get nothing done. Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church. This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them. This manual was developed to aid those who have the desire to worship and praise God in a creative way through the ministry of flags and other worship tools. You may be thinking, what is a worship warrior? A worship warrior is someone who is passionate in their worship and praise to God. One who can worship like no one is watching and create an atmosphere for others to join in their worship experience and, in an instant, go to battle in the heavenlies when the atmosphere is not conducive for the presence of God to dwell. It is my prayer that as my heart has been overwhelmed by the love of God through the ministry of flags that you will also receive this wonderful unquenchable desire to worship Him in the beauty of His holiness with your flags. Have the individuals who are leading small groups in your church been taken through a comprehensive orientation process? Invest in your small group leaders and the overall health of your church by utilizing this practical 8-week training manual for small group leaders. This process will help you lay the foundations of a healthy small group ministry. When the people of God are fully alive, relationally connected, and spiritually flourishing, it brings fresh air to the whole church body. This manual covers the critical small group leadership concepts of building authentic community, the importance of leadership (and pitfalls to avoid), intentional small group design, incorporating worship

and Scripture, creating effective discussion, and resolving conflict. For bulk orders of 10+ copies contact admin@leadershiptransformations.org. Deepen the lay minister's knowledge of the 1979 Book of Common Prayer and the various duties of this ministry with this guidebook to lay participation in the Eucharist and Offices of the Church. This title is geared toward youth, but can certainly be useful to adults as well. There are several books about children in the Kingdom of God, but very few geared to and toward practically equipping children in the Kingdom. This book is a foundational manual for youth ages 10 and up. Many exciting illustrations bring the topics to life. Written in a casual conversational manner, it not only gives the basic understanding, but practically explains the how to's of :The Gospel of the Kingdom, Holy Spirit Empowerment, Healing, Deliverance Root Spirits, Demons, Angels, Spiritual Hierarchy/Order, Intimacy with Christ, The Seven Spirits of God, Five Fold Ministry, Vision and more. * Manual only (transcripts not included) * Full version available from here:

House cleansing Appendix:Discerning of spirits Audio Transcripts: (not included - see above) Apostolic Anointing and Ministry (1 of 5) The apostolic anointing is a commissioning, sending, empowerment to impact lives for the kingdom of God. Jesus first sent 12, then 70, and finally all believers. We're all sent by God, we all have a sphere of influence, and god wants us to be used in this ministry - not only of sharing the gospel, but of healing the sick, and delivering people from evil spirits. Evil Spirits and how they Operate (2 of 5) Examples of Jesus' ministry of deliverance, how He worked, how He operated, and then some of Jesus' teaching as to what evil spirits are and how they operate. How spirits get into people's lives and the ways they operate, leading into a closer examination of the scriptures around deliverance, and what they reveal about demons, and the spirit world. Some basics of the deliverance ministry, leading into a practice exercise (activation). Gateways for Demonic Spirits (3 of 5) Demons need a 'legal doorway' to enter a persons life. In this session, a check-list of 9 common doorways are explained; and what kinds of

things would happen inside a person, as a result of demonic bondage. Curses and How to Deal with Them (4 of 5) For people who have a spiritual world view, blessing and cursing are a great reality. Blessing means there's a flow of spiritual power that brings favour around my life; cursing means there is a flow of spiritual power that obstructs and frustrates and sets me back continually. This session will help you identify when a curse is operating, and how to go about addressing it. This includes a range of heart issues that give legal rights to demons. Jesus came to set us free! Casting out of Spirits (5 of 5) Simple dynamics of how to lead someone through deliverance, including dealing with some issues of the heart where demons are attached. Beautiful examples of healing encounters.

This eleven-week course teaches lay people to do the harvesting and pastoring at a relational level within the local church.

Minister Training Manual By: Bishop Gillis and Gwendolyn Thomas
Minister Training Manual is about the fivefold ministry. It is about understanding the operation of each ministry gift and how to operate in your calling. It is also designed to help you to be effective in your calling and a training manual. Your church workers are your winning team; you win or lose base on how you choose, manage, train or treat them. There is nothing worst in Church work than untrained, poor, ignorant church workers, because they will misrepresent what you stand for. As a pastor your success in ministry depends on your workers. You can't have Church growth or any meaningful progress without the intelligences, faithfulness, dedication, competences and financial contribution of your Church workers. No one succeeds alone; where there are no train workers your vision will perish,

show me a church worker and I can tell you who the pastor is! The ministers and church-workers should be trained well so that they can perform well, and do God's Assignments for them faithfully and satisfactorily. Many are in the ministry today without adequate training, and they have either messed things up or performed, by far, below God's Expectation from them. A minister is not supposed to be a novice, and he is to hold the mystery of the faith with a pure conscience. The Word says, "If you instruct the brethren in these things, you will be a good minister of Jesus Christ, nourished in the Words of Faith and of the Good Doctrine which you have carefully followed" (1 Tim. 4:6). The journey of accepting the Call to serve in God's Kingdom is not always easy and does not always come with instructions. This study and workbook will help better equip you through your journey!! God is restoring the prophetic ministry in the Church today. From believers learning how to flow in the gift of prophecy, to men and women being raised up as ministry gift prophets, there is a reviving of prophetic ministry in the Body of Christ all over the world. The prophetic is not only about hearing and speaking, it is about hearing and doing what God wants done here on earth. God is raising up prophetic believers who not only serve within the local church, but also prophetic believers who are affecting the marketplace through practical ideas and strategies they have received from God. God is raising up prophets like Joseph and Daniel who will represent Him and be His prophetic voice in the high places of the earth today. This training manual is designed to equip believers, stir up the prophetic in them and enable them to develop a strong prophetic ministry in whatever vocation they may be. We plan to accomplish our mission through a well-rounded six-week training course, which will be broken down as follows: Class 1: The Call of God Class 2: The Voice of God Class 3: The Word of God Class 4: Ministry / Servant Leadership Class 5: The Sacraments Class 6: Leadership 101

The Associate Minister is often like a lost ball in high weeds in the Black Baptist Church. Since the Associate most always has no official designation within the church, most don't know where they fit. At times, we have not known what to do with them. This manual is designed to help guide and develop the Associate to prepare for effective ministry and line up with the vision of the House. Updated and expanded with 32 pages of additional content designed to meet the growing demands of busy ministers, the Christian Minister's Manual is an essential tool for ministers. This deluxe edition includes a CD-ROM that contains full searchable content of the Christian Minister's Manual. Customizable templates for sermon building, orders of worship, programs, questionnaires, forms, and other resources are available in MS Word and rich text format to help meet the individual needs of each congregation. This essential tool for ministers features Scripture readings, sermons, outlines, and practical tips for * Worship services * Weddings * Funerals * Ordinations * Communion meditations * Baptisms * Dedications * Hospital visitation * Evangelism * and much more! With the increasing problems facing the Body of Christ where so many ministers are operating and ministering without having some basic knowledge of the Word of God and the lack of understanding the Word of God, this book will reveal the need for those He has called minister to have structured education and training's for their calling and vocation. To present answers too many of the detriments of the poorly trained or unschooled ministers of the Lord and to His people. (note: unschooled refers to ministers with little or no formalized training, operating strictly on

their devotional encounters with the Lord.) To challenge God's called ministers to seek genuine guide-lines for knowledge and ministerial skills, following the Biblical standards for educating and training the Body of Christ to become sons of God. Rick and Barb Haynes love to see people set free in Christ. Rick, an ordained minister, has been serving in ministry in the areas of leadership counseling and deliverance for over thirty years. Barb has been a registered nurse for nearly 30 years and has been a medical missionary for over 20 years. They have both been actively serving in ministry in the areas of deliverance, healing, and the prophetic for over ten years. Their ministry, WWC Ministries, endeavors to serve the Body of Christ through teaching and training in the areas of leadership, deliverance, and spiritual warfare. Rick and Barb come along side other ministries, churches, and men and women of God to strengthen them, serve them and help them be all the Lord has called them to be. They also have an ongoing mission work in Haiti in the mountains of Robin, where they support the only Christian school in the area and are bringing the first medical clinic to the area. Do you have a real desire to see people set free from the things that hold them, and to see them walking into the victory Jesus has won for them? Do you get frustrated when you pray for your friends and nothing seems to change? Do you wish you had the confidence to lay hands on people and see them healed? Do you wonder whether God wants to heal and bless people today? Do you doubt that He would want to use you? 'In the Name of Jesus' is a manual which gives a Biblical basis to what it means to minister to someone and how to go about it, along with foundational Christian teaching and practical guidelines. It can be used by an individual wanting to minister more effectively to others, and can also be used as a training manual for a church or ministry team. It will help you to have confidence in God and in Jesus, and through them in yourself, so you can minister to people and expect results. One day when Jesus was teaching, "the power of the Lord was present for Him to heal the sick" (Luke 5:17). His same power is present in every believer today. Drawing from her experience as a worldwide healing ministry, Joan Hunter desires to help equip the church to receive and to minister God's miraculous healing in the four corners of the world. Many believers want to understand: How can I receive and retain healing? Why would God use me? What's the best way to approach someone who needs healing? How can I effectively pray

for healing? The answers to these and other questions—plus practical guidance and examples—are designed to help believers fulfill the Great Commission: “Go into all the world, and preach the gospel to every creature... lay hands on the sick, and they shall recover... (Mark 16:15, 18b). What happens when you look into the box where you think God is contained and you find He isn't there? What happens next may surprise you! You will learn how to hear God's voice, that God still does miracles, that demons are real and how to deal with them, and truths about the Kingdom of God, healing, your spiritual authority, spiritual battles, and your armor. Written by a former traditional Baptist pastor, Mull's unique story is one of God destroying religious constraints, allowing His people to reel in miracles of healing, salvations, and supernatural experiences in the presence of God. His journey will help you overcome skepticism, toss away theological hang-ups you once thought were from God, and stand solidly on biblical principles. This book is filled with amazing real-life stories and practical applications of the same things Jesus taught His 12 disciples. You will be challenged to believe God is able to do more than you have ever imagined! An essential tool for pastors of any denomination on how to prepare for worship services, weddings, funerals, benedictions, dedications, baptisms, and more. Release Gods Healing Power In Your Life! Every Christian has been sent and empowered by Jesus to heal the sick. The problem is that many of us dont know how to practically complete this task. We either think that miraculous healing has passed away, that the healing ministry is only available to special leaders, or that God simply picks and chooses who He decides to heal. In Power to Heal, international evangelist, teacher and apostolic voice, Randy Clark, gives you eight practical, Bible-based tools that will help you start praying for the sick and see them supernaturally healed! Youll learn how to: Receive and share words of knowledge for healing Pray with authority to release Gods power Keep ministering to people when they dont instantly get healed Use the five-step prayer model Step out, take risks and watch God do the miraculous Discover the amazing truth about supernatural healingthat God wants to use you to release His miraculous power today! A full guide for both new ministers and veterans of the Gospel. It is intended to assist in various services and ceremonies and to be used along with the Bible. Many Jewish ceremonies are also included in this manual. A Comprehensive

Study Course to help you be the best you can be when you minister at the altar. Servants in Charge is a training guide for elders and deacons with a study guide included. Servants in Charge define the roles of elders and deacons and offers practical suggestions for selecting these important leaders. And for servants who find themselves in charge, there are guidelines toward effective and fruitful ministry. Have you ever been in an office or a place of business when someone walked in and asked, "Who's in charge here?" Can it be that the people who enter your church ask the same question but it is important to realize the answer is not a mystery. In a beautiful parable about His second coming, Jesus made it clear that His servants are in charge. These people are known not so much for their position or power, but for their attitude of true servant hood. In Servants in Charge we find that Dr. Bailey deals with the topics of who a deacon and elder are to be to what their qualifications are from a scriptural basis. He also goes on to explain their biblically based ministries and their spiritual gifts as laid out in the New Testament. He completes this short study with a guide for preparation for them and their election and consecration. A great must have for the church today. The Believers Foundations Training Manual is a must study book for any newly born again believer in the Lord Jesus Christ. The book is also strongly recommended study for any believer who wants to ensure their foundational roots in the Word of God grows deeper. Many church groups do not have consistent training material for the newly born-again Christian. These are, for the most part, left to feed on scraps they could find here and there. Those who provide any such material seldom address critical and pertinent questions the new babe in Christ may have. The world is more complex, and has unique challenging puzzles for the Christian faith; especially for the new Christian. This manual is designed to support the new Christian in the quest to seek the Lord Jesus from the very pages of the Holy Scriptures. This manual also equips the new believer to also not accept anything at face value, but ask good questions for clarification. This comes from the premise that the Holy Scriptures have the answers. The believer is imbibed with the notion that the answers, that the Lord Jesus has revealed, can be known in the pages of the scriptures through diligent search. For those of us who are older in the faith, you may have some of your long-held beliefs challenged by biblical textual evidence. We all need this

learning curve to help us grow. Its a tremendous journey. Come aboard. For those who know it all, this manual is not for you. This eight-week course is designed to provide an introduction to prayer ministry. Explore what it means to live as people of the Kingdom of God, be introduced to the four categories of sickness and their corresponding prayer/sacramental responses, and if you are using this manual as a participant or leader in a Kingdom Training Site, engage in discussion and prayer with group members, and be equipped to effectively and lovingly offer ministry to those seeking prayer. Participants and readers alike will be exposed to available resources for further study in healing prayer and prophetic ministry, immersed in the scriptures, and have the opportunity to receive and participate in personal, holistic prayer ministry. The Minister's Training Manual is designed to prepare leaders for ministry in these last and evil days. This manual was commissioned by God to raise up end time warriors for Christ. This manual is only to be used in conjunction with the training course conducted by Kingdom Ambassadors Global Network. Jesus disciplined the twelve and the seventy through a unique method which seems to be missing in the Church and Bible Seminaries today. Twenty-first century Christians equate discipleship and equipping the saints with accumulating knowledge through bible study. But our Lord Jesus Christ was more action oriented, practical and his disciples learned by doing as he did. He had them listen to him and observed after which they were sent out to preach the Kingdom, heal the sick, baptize new believers (John 3:22, 4:1-2), cast out demons; albeit not always successfully (Matthew 17:14-21), and Jesus used those opportunities to teach them even more. He said, "follow me," and for three years they had "hands-on" ministry training. A normal disciple of Jesus must not only know the scriptures but must be taught on how to apply the word of God and get results. Many are aware that Jesus said those that believe in Him shall lay hands on the sick and they shall recover but several believers don't know how to go about it to see the desired results. This book is written to give readers a clear, easy-to-follow roadmap on how to minister Christ to others being it through personal evangelism, healing the sick, administering inner healing for the broken heart, preparing and preaching sermon, discipleship, church planting and much more. The truth of this book has been tried in tested for years in my ministry and in the ministry of several other I have

trained through Pistis Bible Institute. If you are interested to be equipped for ministry rather than just educated, if your desire is to know the Lord Jesus and do His works as disciple and minister, then this book is a must read for you. Healing Ministry Training Manual will equip you with a biblical foundation for healing the sick. You will have a better understanding of delegated authority and the anointing of the Holy Spirit when it comes to healing others. Each session is designed to build your faith for your own healing and to minister healing to all those who need healing. After completing this manual you will have more faith and confidence for healing the sick and you will be able to use this training anywhere you go. We will answer some of the hard questions around healing. Why don't all get healed? Why do some die? What are some hinderances to healing? These and other questions need to be answered so you can boldly proclaim the goodness of God to all. We will also tell about some of the hundreds of testimonies of healing we have seen personally. This complete leader's guide makes it easy to use Dr. Haugk's practical book to build community and train church members in distinctively Christian caring and relating skills.
